Filing a Complaint with the Nebraska Department of Education

This is an informal guide that gives general information on how to file a complaint with the Nebraska Department of Education (NDE). You may wish to file a complaint if you are not satisfied with your child's school district and their decisions regarding:

- Whether your child is identified as a "child with a disability;"
- Whether, after an evaluation of your child, your child should receive special education services;
- The educational placement of your child;
- Whether the school district is providing a free appropriate public education to your child¹.

You may wish to file a complaint if you feel that the school district is not complying with Nebraska or Federal laws. The complaint must state that a violation(s) of your child's special education rights has occurred and include a description of the violation(s).

As a result of filing a complaint, the NDE staff will conduct an investigation. If your complaint is substantiated, the NDE will notify the school district what actions they must follow to correct the situation.

The procedures for the complaint can be found in Title 92, *Nebraska Administrative Code* Chapter 51, otherwise referred to as "Rule 51." You can request a copy of Rule 51 from the Nebraska Department of Education by calling (402) 471-2471 or (888) 806-6287 and ask for the Nebraska Department of Education. Rule 51 is also available on the Nebraska Department of Education web site at <http://www.nde.state.ne.us/LEGAL/cover51.html> by clicking on the link at the bottom of the page. This guide is not intended to be all inclusive. If you have any questions about the application of Rule 51 to the particular facts of your case, please contact our office.

Your complaint should be in the form of a letter addressed to:

Nebraska Department of Education
Special Populations Officer
301 Centennial Mall South
P.O. Box 94987
Lincoln, NE 68509-4987

Your letter should include the following:

- The school district that is responsible for your child's special education services including the name, address, and school of your child.
- A detailed explanation of the specific facts that give rise to you filing the complaint. When possible, give specific dates and names of persons involved in the events you describe.
- An explanation of all attempts you have made to resolve the matter. Give specific dates and names of persons involved. Include what the school's response has been to these attempts, and point out that the problems have continued.
- Describe, specifically, how the ongoing problems are in violation of the school district's responsibility by citing the appropriate section(s) of Rule 51.
- A copy of your child's Individual Education Program (IEP) documentation. You may also wish to include any copies of other documentation that supports your claim. This may include: correspondence to or from school personnel, Student Assistance Team (SAT) documents, Multi-Disciplinary Team (MDT) evaluation reports, or disciplinary documents or reports.
- Your address, phone number, and signature.
